

## **ABOUT US**

MACH is a Christian group of about 30 families, striving to support each other in the home-education of our children, by providing classes for ages nursery to 12<sup>th</sup> grade. We meet on Wednesdays at East Fairview Church of the Brethren, 1187 Fairview Road, Manheim from 9 am to 12 pm. Optional afternoon classes are available. Moms or dads are required to teach and or help in classes, and be present during all class hours.

## **CLASSES**

Classes for students grades 2-6 include gym, science, and history. Grades 7-12 have classes in science, history, and English. Optional classes include subjects such as: Spanish 1 and 2, Algebra 1 and 2, and various sports, and clubs. See class schedule.

Our morning classes are mostly taught by parents within the group. If there are no qualified parents within the group to teach a class in grades 7-12, we will find a teacher outside of the group. First- year parents are expected to be helpers in 3 morning classes. After the first year in the group, parents are required to teach a class of their choosing. There is a leader assigned to help teachers set up classes, and answer any questions about planning and curriculum.

Afternoon classes are often taught by teachers who are not in the group. Parents are expected to help in these classes for a certain number of times.

The goal of our classes is to provide weekly instruction for the students in these subjects. The teachers then assign homework to be done at home, before the next class meets. By completing classes, middle and high school students will fulfill the credit or half- credit requirements for the class. A grade of points out of points possible is given for each class in grades 7-12.

## **VISITATION**

High school students may attend without the (teaching) participation of the parent. There is an additional charge per class for this arrangement.
